~~*~*~*~*~*~*~*

After attending the aquifer exemption workshops the clear direction from the state agencies and the EPA is only to submit applications where approval has already been obtained or will otherwise be assured. We have already received a written concurrence from the State Water Board for 1B/2B so we plan on pursuing the aquifer exemption for that area (instead of 18G). The purpose of the call is to discuss the mechanics, including timing, of doing so.

The conference call number is:

Conference Call #: 1-866-244-8528

Passcode: 467516

Michele Dermer contact information: (415) 972-3417

Thanks,

Sonnie
